ABOUT ME

High-performing go-to-market professional with a track record of building pipeline, driving executive engagement, and accelerating adoption of technical products across AI, cloud security, and life sciences software. Recognized for consistently exceeding quota in high-growth environments through strategic outbound prospecting, consultative discovery, and cross-functional collaboration. Experienced in partnering with early AI adopters and translating complex technical capabilities into clear business value for enterprise stakeholders.

EXPERIENCE

Chainguard, Boston, MA - *Commercial Account Executive* Feb 2026 - Present

- Drive new logo acquisition and pipeline generation by partnering with engineering and security leaders to position software supply chain and open-source security solutions.
- Execute targeted outbound strategies focused on platform engineering, DevSecOps, and infrastructure teams across healthcare and life sciences.

Benchling, Boston, MA - *Strategic Account Executive* Oct 2024 - Oct 2025

- Achieved 120% quota attainment while mentoring new AEs and scaling strategic sales initiatives cross-functionally.
- Sourced \$1.5M in pipeline through outbound, account-based prospecting.
- Partnered with early adopters to deploy AI products, influencing customer adoption strategy and product feedback.

Benchling, Boston, MA - *Founding Strategic Account Manager* Apr 2024 - Sept 2024

- Helped build and operationalize Benchling's Account Management program and renewal frameworks supporting long-term portfolio growth and adoption.
- Managed a 200-account, \$3M quarterly ARR portfolio across life sciences customers, achieving 93% gross renewal retention and 125% attainment.

Benchling, Boston, MA - *Senior Sales Development Representative* Mar 2023 - Mar 2024

- Achieved 221% quota attainment and generated \$7.5M in sourced pipeline as Benchling's top-performing SDR in 2023.
- Built multi-threaded outbound campaigns leveraging account mapping, executive engagement, and signal-based prospecting.

Benchling, Boston, MA - *Product Deployment Specialist* Apr 2022 - Mar 2023

- Implemented Benchling for biotech startups, translating complex scientific workflows into scalable platform configurations aligned to customer business objectives.
- Led customer onboarding and enablement initiatives, maintaining a 9.8/10 NPS and 4.8/5 CSAT across engagements.

EDUCATION

University of Southern California, Los Angeles, CA - *B.S. Biology and Health Sciences*

Summa Cum Laude. Dean's Scholarship

Aug 2018 - Dec 2021
